

300BU30X Battery Burnisher

Featuring **STEADYOne**
TECHNOLOGY

Keeps 88% of its original pad pressure after 3 hours of burnishing

- 1 Traction control with dual heavy-duty, 8" (20,3 cm) mark free wheels.
- 2 Three (3) 12 volt, 228 AH batteries produce up to 3 hours of run time.
- 3 On-board battery charger allows operator to plug in anywhere.
- 4 Enclosed dust control system (cloth or paper bag) for clean operation.
- 5 Unitized roto-molded body with wide area cover panel for easy battery access.
- 6 Small footprint - only 51" (130 cm) with deck tilted - for compact storage.
- 7 Twin rear soft tread 4" (10 cm) caster wheels for a tight turning radius.
- 8 Ergonomic handle and controls for comfortable maneuverability.
- 9 Quiet (only 70 dBA) 2.5 HP (1.9 kW) electric motor.
- 10 80-degree tilt deck for easy pad change.

Pad Pressure (%) vs. Time

Burnish Efficiency

SteadyOne™ uses advanced fluid drive technology to maintain constant pad pressure and produce more consistent results. Unlike other machines using spring mechanisms that vary when a metal coil compresses or extends, **SteadyOne™** automatically adjusts the deck as the pad wears to apply the same pad pressure throughout the burnishing operation. Floor care professionals can now get the same one-pass results today...and tomorrow.

X₂™ concentrates burnish energy in a much smaller area than a single conventional round pad. This allows the machine to do more work while consuming less energy. A larger area can be burnished with our 3-battery, 30" machine vs. the competition's 6-battery, 27" machine on a single charge.

RECOMMENDED PRODUCTS

Amano Pioneer Eclipse offers a wide variety of premier floor finishes to meet the needs of every consumer. Floor Finish lines include both traditional and green offerings.

TECHNICAL DATA

Burnishing Width	30 in. (76 cm)
Performance	42,900 ft ² /hr (3985 m ² /hr)
Pad Size	2 x 16 in. (41 cm)
Pad Speed	2000 rpm
Noise Level	70 db(A)
Width	33 in. (84 cm)
Length Operating	60 in. (152 cm)
Length Storage	51 in. (130 cm)
Height	45 in. (114 cm)
Weight w/batteries	663 lbs (272 kg)
Weight w/o batteries	245 lbs (118 kg)
Battery Compartment w x h x l	14 x 15 x 21 in. (36 x 38 x 54 cm)

AVAILABLE MODELS

- 300BU30TCGX: 30" Traction w/ Sealed Batteries
- 300BU30TCLX: 30" Traction w/ Lead Acid Batteries
